What does a period do? _____

What does a number do? _____

What does an apostrophe do? _____

6. Choose "A Simple Tune"
7. The tune for Twinkle Twinkle Little Star needs a few more notes. This program plays the notes using a piano object that shows the piano keys as they play. Experiment with notes and try to complete the tune.
8. To get the rhythm right, Twinkle Twinkle needs a rest. Rest for a beat using Z. Try putting the rest in the right place.
9. You can use a glockenspiel if that will help you learn the notes to code the song.
